LINE PAINTING: We had to award the line painting bid to Hi-Way Safety Systems as the low bidder.

HI-WAY SAFETY SYSTEMS Contract 5/1/09 to 3/31/10 Bid Prices are on Page 4
Contact: Hi-Way Safety Systems, Inc., Rockland, MA Phone 1-781-982-9229

The contract date for line painting is different than the rest. This contract is from May 1, 2009 until March 31, 2010. Hi-Way Safety was the awarded contractor four years ago. Since then they say that their personnel, equipment and work ethics have changed. We checked several of their references and they checked out good. However, a couple of the towns felt that they wanted a town employee present for their services. We suggest that you and Hi-Way discuss the date and time they are coming to your town. If you want a town representative present state "call me before you show up so the town can have a town representative on hand for any issues." Tell them exactly what you need performed per Massachusetts Highway Department specifications including any safety issues in your community. If you should have any problems with Hi-Way Safety Systems please contact our office immediately at 413-448-8424 or via fax at 413-499-0213 or email at berkcty@rnetworx.com.

3. GUARD RAILS FURNISHED & INSTALLED: **COMMONWEALTH GUARD**
Bid Prices on Page 5

Contact: Commonwealth Guardrail, Inc. Westfield, MA Phone 1-413-572-6800

If you should have any questions regarding these bid awards or problems with any of these vendors, please contact our office at 413-448-8424 or fax 413-499-0213 or email us at berkcty@rnetworx.com.

Thank you.
